<p>Now we hope you will all make an effort  to join us for Burning Heart 08 this  September 20<sup>th</sup> from 3-9pm at Sugarhouse  Park.</p> <p>Why?</p> <p>We have viewers from all over Utah who  are NOT connected to any church in their  neighborhoods.</p> <p>We want to invite all the Christian  Churches in the state to come and  represent themselves there.  That way, they have a face and a church</p>	

<p>name to turn to when they decide to attend some day.</p> <p>We also need YOU – that’s right, YOU – to invite and or even bring your inactive LDS friends and neighbors to the event.</p> <p>There will be booths, food, music, a short gospel message at the end, and a baptismal font for anyone seeking to dedicate themselves to the Lord!</p> <p>Saturday, September 20<sup>th</sup> 3pm to 9pm.</p> <p>The final hurrah of Summer.</p>

<p>We’ve had a number of you forward an article that was in the Ogden Standard</p>	

<p>Examiner last week about the presidential elections, Christianity, and Mormonism.</p> <p>I have to refrain from making any comments - one way or another - regarding anyone running for public office.</p> <p>Last year I gave some opinions on the Presidential campaigns and some people thought it wasn't very proper of me.</p> <p>And launched some complaints to the IRS, who in turn chose to investigate us fully and thoroughly.</p> <p>With some outstanding legal representation - the Pacific Justice League - our ministry, which could have been sanctioned, fined, and/or even had our 501c3 tax exempt status taken away came out unscathed.</p> <p>But I was sternly warned.</p> <p>So regarding political issues, my friends, I must remain, hard as it is to be, silent.</p>
